Sir:

Amendments

In response to the Office Action dated 10/11/2006, a new set of claims 1–20 is presented on the following pages, adding the proper status identifiers as set forth in Sections. 4 C & F of the Notice of Non-Compliant Amendment dated 01/16/2007. Counsel apologizes for these mistakes. Evidently confusion arose because the claims were amended in a voluntary amendment made at the time of National Filing

It is assumed that the Notice mailed 01/16/07 applies ONLY to the amendment document filed 11/06/06, and that the previous amendment filed 7/27/2006 IS entered in this application. That being the case, it appears the set of claims set forth in the filing dated 11/06/2006 amounts to an imperfect attempt to "correct" claims 1-20 since (apparently) it did not properly add the claim modifiers as it purported to do, and somehow omitted the amendments made to claims 16 & 18 almost three years ago.
